Chapter 1 by The Book of Stories

Ori looked out of the train window, experiencing her first trip to the Big Apple.

It's just a museum, right?

The biggest Apple in the world!!!

"Next stop, New York City." The speakers bellowed.

'That's not it' Ori thought.

She glanced over at her friends, who were getting up.

"Where are you going?" Ori asked, confused.

"This stop is the 'Big Apple.'" One of her friends said, helping ori out of her seat.

When stepped out of the subway tunnel, they met with a huge pack of busy workers bustling past them.

"Uh..." Ori said, still confused.

"Guys...?" Ori asked, stopping for a second.

"Yeah?" They asked, turning around.

"Why is everything crowded here? And where are the apples?" Ori said quietly.

All her friends face palmed at the same time.

They had some explaining to do.
